Temporarily out of stock.

Order now and we'll deliver when available. We'll e-mail you with an estimated delivery date as soon as we have more information. Your account will only be charged when we ship the item.
Ships from and sold by Amazon.com. Gift-wrap available.

- Vehicle application: Toyota 1990-1995 pickup 3.0l V6 left hand drive
 - Replace stock OEM rubber radiator and heater hoses which can eventually weaken over time, leading to premature failure
 - Withstand the harsh high temperature and high pressure operating conditions of the engine yet still maintaining peak efficiency during competition or daily driving; Max temperature rating: 350 deg. F (177 deg. C)
 - Ideal replacement or performance upgrade for the OEM rubber hoses; Race proven design ensure the long lasting quality over the stock rubber hoses
 - Includes 100 percent stainless steel industrial grade liner clamps which would not cut thru the silicone hoses
