It is ready to go today. She was my DD from Oct 2008 until 2017 and has been a 2-3x / week since. I purchased in 2008 and drove it stock until swapping in a 4.3L Chevy v6 + SAS in 2014.

### ABOUT THIS 'YOTA

- Model 1989, 3.0-V6
- 4.3L V6 (1992 installed 2014)
- '86 Hilux solid axle (installed 2014)
- Original Toyota manual Tranny
- 4.88 gears
- 35 x 12.50 BFG TA/KO2
- Yukon Spartan front locker
- Auburn rear locker
- 30-spline Longfield Birfields
- Rear discs (so no e-brake)

What else?

- 2<sup>nd</sup> owner (I purchased in 2008)
- ~70-line detailed list including part #, cost, dates
- maintenance records
- Brushguard & awesome custom rock sliders
- Trail Gear tube rear bumper
- Aisin manual hub upgrade
- Bimini top from Killer Toy Tops
- Sun-roof
- Power windows
- Late Gen Tacoma seat covers (front only)
- High Lift Jack + in bed spare mount

What doesn't work:

- Speedo/odometer – Waze/Google Maps for speedo
- A/C – replace compressor
- Windshield needs upper trim

Closing: You're welcome to call or email me anytime for the duration of your ownership. And if you decide to sell, I would ask that you give me first dibs to buy her back.

I'm happy to video call for serious buyers before you come to Houston. Please don't call to low-ball offers.
